

# Electromagnetic Lock Accessories

L and Z Brackets

U Bracket

U Bracket Plate

## Electromagnetic Lock Accessories

The Electromagnetic Lock range offers a number of accessory options. These accessories allow the Electromagnetic Locks to be used in a number of different applications and can be adjusted and suited to each situation. This allows the installer to configure the door as required allowing user specific features such as open in / open out selection or glass door applications. Electromagnetic Lock Accessories meet or exceed local and international standards, providing safe and secure locking.

## Key Features

- Adjustable fixing positions
- Cast aluminium construction
- Meet and exceed international and local standards
- Fire rating – Please refer to the List of Approved Hardware with the respective fire door manufacturer

## Applications

- Open in/open out doors
- Glass door security
- Double doors security
- Sliding door security
