

# Crank Bolt

CB-5004

The global standard in  
security hardware solutions

# Crank Bolt

CB-5004

**Crank bolt goes over the AMS Secure Under Door Seal and into the floor. As well as over other standard door seals (smoke + acoustic)**

The Crank Bolt works in conjunction with doors and door frames with off set requirements caused by acoustic and under door seals. Alleviates the need for packers with ADI-5004 door bolt.

Saddle guide for extended bolts also available.
